

High Speed Internet Committee (HSIC)

VISION

To ensure all Hanover County residents and businesses have access to the high speed Internet service they require at a reasonable cost.

MISSION

Through our work the High Speed Internet Committee (HSIC) will prepare a report of findings that reflect citizens and business's high speed internet needs and provides a basis for achieving our vision.

This work will be accomplished through the efforts of three subcommittees:

- Marketing
- Providers
- Government Strategies
